ABOUT BSWP

Bible Study With Peace (BSWP) is a Christ-centred community devoted to knowing God through His Word, growing into the likeness of Christ, and helping others do the same. Inspired by the early Church in Acts 2:42, BSWP cultivates a culture where Scripture is not merely read, but understood, lived, and loved.

FERVENT 2026 gathers believers from across churches, campuses, and communities to encounter Christ through His Word and be equipped for lifelong discipleship.

THE BURDEN

Across Nigeria there is a renewed hunger for God. Yet many believers are passionate in prayer but lack confidence in the Scriptures — zealous, yet not equipped with the biblical foundations for lasting maturity.

The answer is not less prayer, nor knowledge without devotion. It is disciples whose hearts burn because their eyes have been opened to Christ in the Scriptures.

WHY “FERVENT”

Their hearts burned because Christ opened the Scriptures and revealed Himself.

The theme is drawn from the road to Emmaus — Luke 24:13–35. True biblical fervency is not manufactured; it is the natural response of hearts awakened by the revelation of Christ through the Word.

Renewed love for the Word

A deeper appreciation for Scripture as God's living revelation.

Stronger foundations

Practical tools for sound interpretation and doctrinal maturity.

Deeper intimacy with Christ

A daily walk with Christ through His Word and the Holy Spirit.
